

## Referee Attire and Equipment

- Wear a CLEAN, all white uniform with slacks. Shorts (white) are only worn if specified. If in doubt, ask the head referee or OWPRA's Supervisor.
  - Socks, undershirt and belt should be all white.
  - Wear a white polo shirt. If possible, it should be embroidered with the OWPRA logo.
- Shoes should be new (or newer) and, if possible, all white. Old, dirty, worn or tattered shoes detract from your appearance.
- Whistle (Fox 40, any color, recommended).
- Watch.
- Current rule book. Do not carry the book in your pocket, but have it available in case of a protest.
- Yellow and red cards.
- A coin (for a coin toss, if necessary).
- It is recommended that you bring a tape measure, ball pump and pressure gauge.
- You should not carry or use a cell phone on deck at any time before, during or immediately after a game. You are being paid to oversee the entire game, so your time should not be divided between the game and your cell phone.
